

# SugherDrink

Blond cork Stool

SugherDrink is a stool fully made of natural blond cork, an highest quality natural material, made in Italy, the founder of furnishing accessories series, with an innovative design. Its congenital natural origin guarantees integration in all those environments where synthetic materials are not at ease.

### SugherDrink helps customize an environment

You can interpret each room with your own personality, inserting a series of cork stools, to obtain the most effective visual result while optimizing the economic investment, without losing sight of the aesthetic dimension. SugherDrink creates a comfortable atmosphere and is an eco-friendly material that is natural, warm and pleasant to the touch.

### SugherDrink... the only thing that "smell of cork"

SugherDrink has been specifically designed to tastefully furnish, made by using only the bark of the cork plant, an unbeatable natural material, adding warmth to the touch, personality and elegance in your living and work environment.

### SugherDesign

SugherDesign is part of our new developing SugherDesign line, it will be composed by natural furnishing accessories creation, suitable for every environment, perfect for your home or business.

### Imagine to integrate SugherDrink into your...

- > Tasting room
- > Wine shop
- > Wine bar
- > Café
- > Restaurant
- > Tavern

or even in your home, inserting a natural element in the furniture.

Dimensions: diameter 30cm, height 45cm.

### The eye wants its part too

Imagine to invite your customers to taste a wine or friends at home to share a special wine bottle with them with comfort and projecting them, through the SugherDrink visual charm, into the pleasant world of taste sharing.

### SugherDrink

- > Strong
- > Durable
- > Natural
- > Recyclable
